Ian Hinitt

# Industry Challenges

# Bradford Royal Infirmary

Bradford Teaching Hospitals   
NHS Foundation Trust

*Better Medicine Better Health*

# Background to Sustainable Strategy

- 1930s building stock
  - Poor functional suitability and poor space utilisation
  - But still the safest hospital in North of England
- Strategic issue for Estates:
  - How to deliver clinical excellence from aging accommodation?
- Strategic Solution:
  - Develop a culture of Sustainable Development and drive continuous investment in sustainable technologies
  - £4.1 million investment derived from grant funding

# Reinvestment in Built Environment Typical Nightingale Ward Refurbishment

**Before**

**After**

# In Conclusion - Future Resilience?

# Thank you
